

# Map II: South Orrington – Verona Island

- 1 (RM 87) **South Orrington Boat Launch** (*Walintek, Cove in a river*), on river left, is located at the end of Town Rd.
- 2 (RM 92) Below **Winterport**, the river widens into Marsh Bay on your right, at the confluence of the North and South Branches of the Marsh River (*Kikimessewihitek, Black duck stream*).
- 3 If the tide is not too low, Maine Inland Fisheries and Wildlife Mendall Marsh Refuge on **Treat Point** offers a good resting and hiking place. The point nestles between the North Branch of the Marsh River and the Penobscot River.
- 4 (RM 94.5) **Frankfort Boat Launch** is off US Rt. 1A and Marsh Bay.
- 5 (RM 97) Tie up to the dock at the **Bucksport Marina** to shop or eat in town. The **Verona Island Boat Launch** across the water from Bucksport is a good take-out place.
